

# Information Form

Dear Parents,

The talented students of Granger look forward to presenting this year's Spring Musical. With your assistance, Beauty and the Beast could be the best musical Granger has ever performed.

Many exciting features of this year's musical include the construction of an elaborate set, many props, and intricate costumes. We cannot accomplish this alone. Please sign up to volunteer for one or more of the groups listed below and help make this show a success.

Thank you,

Nicholas P. Janssen and Kathy Wisniowski  
Directors, Granger Spring Musical
