You will create a two minute film responding to the theme "IMAGINE." Finalists will be invited to a Film Festival at IDEAcon! See Mr. Walsh for a flyer with details, dates and directions!

Soccer

The Grizzlies played their best match of the year against the Still Bulldogs. The Grizzlies played great offense and intense defense in a seesaw battle that was in doubt till the last minutes. We had standout performances from Diego, Gino, Tharun, Sebastian and Josh. Other Grizzlies who played well were Isaac, Chris, Mathias, Abhijay, Suki and Aidan. Paws up to Neel, Fouad, John, Aryan, Saket and Shishir.

Football

It was a hard day at the office for The 8th Grade Grizzly Football Team last evening as the Still Bulldogs pounded the Grizzlies 44-6! The team now 10-1, will learn from this game and bounce back tomorrow vs The Scullen Sharks at Grizzly Field. B and B are still very proud of the team's good sportsmanship!!!
