

Reduce, Reuse, Restyle Club:

Attention all Granger Grizzlies, there is a brand new club here at Granger! Did you know that over 5% of all landfills are filled with old clothes? Fabric waste is a threat to our planet, but what if we can fight back? Our newest club, "Reduce, Reuse, Restyle" lets you take old pieces of clothing, and make new clothing out of the old clothing. Come make a new piece of clothing to flex and say, "Yeah, I made it myself". For more information, and to grab a club permission slip, see Mr. Spencer or Mrs. Gates or See [Here](#) ! This club meets for 8 weeks and includes a small fee.

After School Game Reminder:

If your student would like to be a spectator at a game, they will need to go home after school and get a ride back between 4:45-5:00. Due to the bus driver shortage, our buses are arriving much later for games and there is no supervision for students from 3:00-4:45.
