

Granger Information:

I want to inform parents that today at school we had to do a "Hold In Place and Teach." This is called for non-emergency situations, when we need to keep the hallways clear. The students did a great job being flexible during this time.

Reminders:

-On Wednesdays our school day starts at 8:20. Please be sure to adjust your bus pick up times in the morning by 15-20 minutes.

-We will not be accepting drop offs during the school day. Please work with your student on a routine for packing their bag the night before.

Granger Fun Run:

We would like to invite everyone to the Granger Fun Run & Tailgate on September 10th starting at 6pm. The run is about 2 miles long, but there is no pressure to run. All participants are welcome to walk, stroll, skip, shuffle, gallop, but most importantly have fun. Oh and did I mention, Mr. Davenport will be in a Dunk Tank!

Safety Week Day 4:

Today our students learned about Safety Drills and Best Practices. The link below will provide you with a summary of what we reviewed with your students.
